### Core tasks and work tasks

Creation of a arrangement for the waiting room at a dentist and weekly replacement.

It is a simple decorative arrangement in a round shape for a fixed price.

The arrangement is incorporated into a bowl of OASIS JUNIOR.

When designing materials are used depending on the season and other auxiliary material.

The arrangement is worked out according to the design rules.

The customer receives information on how to supply the arrangement with water and maintain it throughout the week in order to achieve the desired durability.

### Situation in the company

Your flower shop has a standing order. It is a weekly design of a put bowl in the waiting room at a dentist.

The customer wants to spend 300 Kč every week.

You design a simple decorative arrangement in matching colors and shape.

The arrangement is incorporated into the bowl OASIS JUNIOR.

The arrangement is to process material of the season.

### Objectives of the task

You design a simple round decoration made of seasonal materials in a shell OASIS JUNIOR.

You select materials and materials in such a way that the selling price is kept to the customer's request.

You advise the customer how to maintain the arrangement.

You win a permanent customer and an order for the whole year.

## Work assignment

They are to design a simple round arrangement in a shell OASIS JUNIOR.  
 The customer's request is a retail price of cca. 300 Kč (11 Eur)  
 Use a bowl of OASIS JUNIOR  
 When designing, use seasonal fabric and other material from the store.  
 In the preparation of the order you take into account the selling price and the one-week shelf life.  
 Keep the proportions and colors of the arrangement.  
 Pay attention to the observance of the preparatory techniques when cutting the plants and preparing the plug-in compound.  
 Work with the technique plugging and clean, with respect to the material.  
 Advise the customer how to maintain the arrangement during the course of the week.  
 Upon instruction you compile a simple calculation.
